No order is grouped in advance, once on site please check the quality of your order and wait for the time to group your order.

It is very important to keep your order fresh, any order not kept, can quickly turn, our restaurant is automatically relieved of responsibility for the consequences.

It is strongly advised to take care of your order yourself, it is not recommended to give full responsibility to the driver or the concierge.

To better guide you when ordering, if you do not have a fridge, please do not order ready meals or fresh salads (especially in summer).

**Very very important:** we are not responsible for the consequences of keeping your order, please keep everything cool before planning any other activity.

Thank you for your understanding and we wish you a shabbat shalom
